When we start anything, we want to do it the right way. Holding your pencil is one thing that will help you write your best. Look at the picture to help you know the correct way. It's also good to sit up straight in your chair and slightly slant your book or paper the same way as your arm.

My Jesus, this is for love of Thee, for the conversion of poor sinners, and in reparation for the sins committed against the Immaculate Heart of Mary. (By the Angel of Portugal)
