It becomes that special gift you would like to give, to use, or to save. Do try to make the decoration suit the verse. Below are some patterns to try. Begin with pencil to get the right size pattern and spacing; then color it in, and erase the pencil.

**Directions:** Write the verse in the practice area on the left, space permitting, carefully imitating the example. Letter size should be  $\frac{3}{4}$  of a line. In your very best cursive handwriting, copy the verse onto the business card box. Punctuate as in the sample. Decorate, cut out, and use for holy cards, gifts, and bookmarks. Writing 1 verse per day is advised. Tip: Do your handwriting as your first activity in the morning or afternoon to set a pattern for other work.
